Creating a Pathfinder Website using www.weebly.com

About Weebly
- Started in 2006
- In 2007 was listed in the top 50 websites by TIME
- It is FREE
- You can add an unlimited number of pages
- There is no advertisement other than a small statement at the bottom
- You can pay for Weebly Pro and the statement at the bottom goes away.
- If you use the free domain name it will be www.yourdomain.weebly.com
    - You can pay for a domain name that will remove the weeby
- You don't need any other software. Everything is online so it can be used from any computer with internet access.
- If you know how to use html formatting you can further customize your website
- http://weeblyvids.blogspot.com/ - is a website that has short videos
- http://www.recognizedexpert.com/weebly/
-

Steps that we will be following to create a website:
1. Create a login
2. Create a Home page
3. About Support – Weebly Help

    a. Use Weebly ImagePerfect
6. Adding pages and sub pages
    a. Hiding pages
    b. Making a page a sub page
    c. Using hidden pages
7. Elements of each webpage
    a. Titles
    b. Text
    c. Titles and text
    d. Using bullets
8. Adding documents (PDF, Word, etc.)
9. Hyperlinks - definition
    a. To pages within the site
    b. To outside websites (do you want it to open in a new window)
    c. To documents
10. Pictures
11. Deleting website or everything
12. Changing email or login information to be able to transfer the website to another director or webmaster.
13. Keep website up to date

This is what we want the navigation to look like when we are done:
Home
PDF Club Forms (Hidden)
Calendar
Announcements
Unit Information
      Friend
            Classwork
      Companion
            Classwork
Club Pictures
