## CHANGED Camporee set for **September 18-20,** **2020!!!**

### Get ready for an EPIC weekend!

GCC's Pathfinder camporee, CHANGED, is rescheduled for **September 18-20, 2020!!!** This special issue of Pathfinder Connection will show you a preview of some cool camporee details!

Because of the necessary rescheduling of camporee due to the spread of COVID-19, there are some changes:

- Camporee will be a 3-day event this time—clubs will arrive on Friday, and activities will end later in the day on Sunday.
- There will be no Food Fair at this camporee—sorry! Because camporee had to be shortened due to scheduling, Food Fair will not be happening this time.
- Day passes will not be available this time.
- Pathfinders who are “graduating” and leaving the club at the end of the 2019-2020 year will still be eligible to attend camporee. You will need to roll their records over into the new 2020-2021 year to register them for camporee, even though they will not be active in your club for the rest of the year. Once camporee is over, Gayle and Carin can help you remove them from your roster.
- Since camporee will be at the beginning of the new Pathfinder year, it is VERY important to make sure all your attendees who are 18 years and older are up to date with the Sterling Volunteers child safety training and background check. Please start on this process ASAP—trying to take care of this a few weeks before camporee is TOO LATE.
- The deadline for camporee registration will be August 26.

Take a look at the following pages to see details on camporee events and activities!

## Club Award of Excellence

During this Pathfinder year, your club may have been striving to earn points for the Club Award of Excellence. You are probably wondering how the interruption caused by COVID-19 has affected calculating points for the rest of the year. Here are a couple of details to keep in mind:

- Attendance points for the “Changed” camporee in September will count as camporee points for the 2019-2020 Pathfinder year.
- Completing the 2019-2020 year end report will also add points to your total.
- Calculation of points for the months of March, April, and May for meetings, events, and attendance will be determined in the coming weeks as we observe how COVID-19 is affecting clubs’ ability to adapt to virtual settings and other alternate methods, as well as considering each club’s overall points earned in the prior months during the 2019-2020 Pathfinder year.

Our utmost goal for the Club Award of Excellence is to be objective, fair, and balanced, while also taking into account how COVID-19 has impacted everyone. We will send more information as it develops.

## We Need YOU!

In order to have enough activities and honors for all attendees to enjoy, we need your help! Please let us know what activity or honor your club can provide during camporee by August 24. Your club would be responsible for bringing the supplies needed for the activity or honor, and for providing club staff to supervise during operation.

Camporee is truly a team effort, and we appreciate your contribution!

## Special Groups

### BAPTISM

What better place for a Pathfinder to be baptized than at camporee?? If there are Pathfinders in a club who are ready to be baptized and want to do this at camporee, there is a baptism application that needs to be filled out and submitted to our office to let us know. The deadline for submitting baptism applications to the GCC Pathfinder office is August 26.

Directors can download the camporee baptism application from the “Camporee” category on the Resources page of [pathfinders.gccsda.com](http://pathfinders.gccsda.com), and can submit completed applications to [pathfinders@gccsda.com](mailto:pathfinders@gccsda.com).

### HONOR PATHFINDER

Pathfinders who have worked hard all year to go above and beyond standards and requirements have the opportunity to apply to be Honor Pathfinders at camporee! Honor Pathfinders get to participate in special activities during the camporee weekend and they get a special t-shirt!

Pathfinders who qualify must write a 150 word essay and submit it to their director or deputy director. Directors can then fill out an application form for each Honor Pathfinder and submit the forms to [pathfinders@gccsda.com](mailto:pathfinders@gccsda.com). Directors can find full requirements and instructions and the application form under the “Honor Pathfinder” category on the Resources page of [pathfinders.gccsda.com](http://pathfinders.gccsda.com).

The deadline for submitting Honor Pathfinder applications to the GCC Pathfinder office is June 24 .
