

# GCC Camporee

## *Entry Way (Portal) Requirements (For Prize):*

### **Regular Points:**

1. Club Name – Incorporated in the design and craft preferred
2. Creativity – Two types of lashing used to secure construction, more types of lashing shows attention to detail
3. Originality
4. Camporee Theme: **“CHANGED”**
5. Flags: US and Pathfinder (Flags must be properly displayed according to the GCC Pathfinder Drill Manual). Additional flags may be used, allowed flags are: Christian, SDA, US State, and Country (Hint: no flag above the US Flag)
6. Club Campsite is fenced – Preference given to fencing that seems to fit well, of a similar style, to the portal itself. Construction fencing provides protection, but does not count in this contest.

**Judging will occur at a time that is deemed best in order to include all or as many as want to participate. Late arriving clubs may still be able to participate, if much of the work is prepped and ready to put up. Weather may result in damage and may delay or hasten judging.**
