

Leader Resources

Here are some resources to help get you started in your role as Pathfinder club director:

People:

- ★ Volunteer Pathfinder Coordinators. (Look for the list of fellowships/coordinators at the Pathfinders page under ministries at www.gccsda.com under *Links*) These folks are here to serve you!
- ★ Other club directors in your area. You'll meet many directors at Pathfinder Leadership Convention.
- ★ Your pastor. Many pastors have had experience in Pathfinders and can help guide you in this venture (assist as you plan and schedule Pathfinder Sabbath and other events involving the church facility, etc.). Also, keeping them informed of your activities enables them to generate and/or maintain support with the church board and among the church members. They can also help you in leading a baptismal class for your Pathfinders and give guest devotionals.
