Lighthouses

1. Describe the following in detail concerning lighthouses:
   a. What is the function of a lighthouse?

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

   b. When were the first lighthouses of record built?

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

   c. What is the name of the most famous ancient lighthouse?

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

   d. What are people called who study lighthouses? Why?

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

   e. Do all lighthouses have keepers? If not, how are they run?

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

2. Research the structure and function of Fresnel lenses. Explain what makes these lenses so effective.

   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
3. Throughout history, what fuels were used for lighthouse lights?
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________

4. Are all lighthouses located along ocean shores? If not, list other locations where you would find a lighthouse.
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________

5. What is the lighthouse service called in your country? What organization or branch of government is responsible for maintaining lighthouses in your country?
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________

6. When a lighthouse is a visible landmark seen from the ocean during the day it can be identified by certain markings. What are these called?
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________

7. What is a foghorn? Why would one be used at a lighthouse? What are three things that affect how far away a foghorn can be heard?
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________
8. Since lighthouses are often called “lights, explore the concept of “lights” in scripture by doing the following:

a. Look in the Bible Concordance to find “lights” and discuss lights as referred to in the Bible.

b. Explain why you think God’s word is like a lighthouse.

c. Memorize John 8:12.

9. Write a poem or a story about a lighthouse light. Include thoughts of God’s “light”. Read your story or poem to your group.

10. Draw or photograph five lighthouse forms/types being used today.

11. Do one of the following:

a. List the names and locations of 5 lighthouses in your state / province.

b. Locate on a map the location of 10 lighthouses in your country / division.

12. List the references you used to learn about lighthouses.
Lighthouses, Advanced

1. Have the Lighthouses Honor

2. Make a scrapbook including the following:
   a. Pictures, post cards or drawings of twenty-five lighthouses. Label should include a brief description of: location, year built, active / non-active status, and order of the lens.
   b. Write up a short history of the above lighthouses.
   c. Include drawings/pictures and answers to all the requirements for this honor in your scrapbook.

3. List the development of a Fresnel lens, including: Name of the gentleman that invented it, country that he came from, year developed.

4. Draw a Fresnel lens: Show how prisms are used to concentrate light, draw a bull’s eye lens and state its purpose.
5. Make a chart showing each class of Fresnel lens:
   a. Define order and list by size
   b. Name at least one lighthouse using each order

6. Research and describe the history of the mechanism for rotating lights.

7. Make a chart of six lighthouses showing nighttime (light) and daytime (day mark) signature.

8. What is a lightship? Why and where are lightships needed?

9. Read about lighthouse keepers and list some of the hazards they faced in completing their duties.

10. Study quotes by Ellen White mentioning lighthouses and discuss the meaning. Place a copy of the quotes in your scrapbook.

11. Obtain a “Lighthouse Passport” and have it stamped at 10 different lighthouse locations.

12. Build a lighthouse modeled after a real lighthouse using a lighthouse kit, wood, or other medium. Know the name, location, and date when the actual lighthouse was originally built.
Make a chart of six lighthouses showing nighttime (light) and daytime (day mark) signature
