COUNTRY FAIR

Invitation to Exhibit

Did you miss the chance to display your handicrafts during last year's craft fair? Never fear, you now have another chance. Bring your best work to exhibit during camporee, but choose carefully because your submissions are limited to three (total) per person or group!

Whether you want to exhibit as an individual Pathfinder or with others, there's a division for you: Junior (Friend and Companion), Teen (Explorer through Guide), TLT, staff member, or group/club.

Your submissions can fall into the following categories:

Crafts

These could include: scrapbook pages, woodworking projects (small, please!), ceramics, photography, weaving, artwork, collage, sculptures.

Models

Think airplanes, cars, trains, pinewood derby creations.... you get the idea.

Household Arts

Featuring home skills like cooking, candy-craft, baking, canning, sewing, embroidery, cross-stitch, plastic canvas, knitted and/or sewn items, crocheted items, sock dolls. You're limited only by your imagination! (Naturally, edibles will be taste-tested as part of the judging process.)

Collections / Nature

Here's where you can display items collected towards a Pathfinder honor or as part of a hobby.

Miscellaneous

If your project doesn't fit into one of those listed above, this category is for you! Just make sure your entry is consistent with the spirit and intent of Pathfinding.

As this is a short camporee, entries should be submitted as early as possible on Friday. Tables and categories will be designated in the Camp Cafe. Submissions will be on display all Friday and must be picked up by 6 pm that afternoon.

IMPORTANT: In order for your project to get our full consideration, you **MUST** include the approximate amount of time you spent on the project for this is part of our judges' consideration.

About how long did it take you to create this project?

Which part was the most fun?

What were your challenges in creating this project?

Share your experience
