

Pathfinder Overnight Activity Contract

Recognizing that it is a privilege to be able to participate in Pathfinder activities in the Georgia-Cumberland Conference, I agree to follow all the rules and regulations connected with the upcoming _____ trip.

Should I deviate from these guidelines set down by the conference and/or club staff, I will be willing to forfeit the next overnight Pathfinder event and other trips if the situation is not resolved.

I will not leave my sleeping area after the set time to be in, and I will not miss any meetings or appointments without permission from my club staff. I agree to follow all of the guidelines that the conference and/or club set down for a particular trip.
